## SUBJECTS

### ABSCCESS

percutaneous drainage of splenic abscess: case report of a patient requiring anticoagulation 27(5):102, 1985 oa

### ADENOCARCINOMA

adenocarcinoma in a villous adenoma of the ampulla of Vater 27(2):59, 1985 oarc

### AMPULLA OF VATER

adenocarcinoma in a villous adenoma of the ampulla of Vater 27(2):59, 1985 oarc

### ANASTOMOSIS

one-stage resection and anastomosis of the obstructed, unprepared left colon 27(3):29, 1985 oa

### ANEURYSMS

aneurysm of the diverticulum of the ductus arteriosus masquerading as a neoplasm in the aortopulmonary window 27(3):86, 1985 oa

gi disease and aortic surgery: is the association of ischemic colitis, carcinoma of the colon, and aortic aneurysms totally coincidental? 27(4):45, 1985 oa

pulmonary artery aneurysms presenting as a solitary pulmonary nodule 27(1):49 oa

### ANTIBIOTICS

the role of antibiotics in trauma 27(4):69, 1985 oa

### AORTIC SURGERY

extraanatomic reconstruction for dissection of the thoracic aorta: a case report 27(5):92, 1985 oa

gi disease and aortic surgery: is the association of ischemic colitis, carcinoma of the colon, and aortic aneurysms totally coincidental? 27(4):45, 1985 oa

retroperitoneal "aortic" approach for the distal splenorenal shunt 27(5):98, 1985 oa

### ARTERIOPLASTY

vein patch arterioplasty 27(5):83, 1985 oa

### BACTERIA

bacteria in the biliary tract 27(1):25, 1985 oa

### BILIARY TRACT

bacteria in the biliary tract 27(1):25, 1985 oa

dissolution of biliary calculi 27(6):27, 1985 oa

### BOWEL

recurrent adhesive small bowel obstruction 27(4):98, 1985 oa

### BREAST

breast reconstruction following mastectomy 17(1):15, 1985 oa

### BURNS

skin coverage for burns 27(1):37, 1985 oa

### BYPASS

a simplified approach to femoral-tibial bypass using in situ saphenous vein graft 27(6):34, 1985 oa

### CARCINOMA

adenocarcinoma in a villous adenoma of the ampulla of Vater 27(2):59, 1985 oarc

cancer of the pancreas 27(3):13 oa, 1985

gi disease and aortic surgery: is the association of ischemic colitis, carcinoma of the colon, and aortic aneurysms totally coincidental? 27(4):45, 1985 oa

### CARDIOVASCULAR

arteriovenous fistulae following cardiac catheterization 27(4):88, 1985 oa

cardiovascular complications of parenteral drug abuse 27(1):59, 1985 oa

cardiac valve prosthesis 27(2):34, 1985 oa

### CATHETERIZATION

arteriovenous fistulae following cardiac catheterization 27(4):88, 1985 oa

complications from needle catheter jejunostomy in posttraumatic surgery 27(4):52, 1985 oa

bacteria in the biliary tract 27(1):25, 1985 oa

### BILIARY TRACT

bacteria in the biliary tract 27(1):25, 1985 oa

dissolution of biliary calculi 27(6):27, 1985 oa

### BOWEL

recurrent adhesive small bowel obstruction 27(4):98, 1985 oa

### BREAST

breast reconstruction following mastectomy 17(1):15, 1985 oa

### BURNS

skin coverage for burns 27(1):37, 1985 oa

### BYPASS

a simplified approach to femoral-tibial bypass using in situ saphenous vein graft 27(6):34, 1985 oa

### CARCINOMA

adenocarcinoma in a villous adenoma of the ampulla of Vater 27(2):59, 1985 oarc

cancer of the pancreas 27(3):13 oa, 1985

gi disease and aortic surgery: is the association of ischemic colitis, carcinoma of the colon, and aortic aneurysms totally coincidental? 27(4):45, 1985 oa

### CARDIOVASCULAR

arteriovenous fistulae following cardiac catheterization 27(4):88, 1985 oa

cardiovascular complications of parenteral drug abuse 27(1):59, 1985 oa

cardiac valve prosthesis 27(2):34, 1985 oa

### CATHETERIZATION

arteriovenous fistulae following cardiac catheterization 27(4):88, 1985 oa

complications from needle catheter jejunostomy in posttraumatic surgery 27(4):52, 1985 oa

## CHEST

chest wall resection and reconstruction for malignant fibrous histiocytoma: a case report 27(6):53, 1985 oarc

## CHOLODOCHODUODENOSTOMY

cholodochoduodenostomy and sphincteroplasty 27(3):93, 1985 oa

## COLITIS

gi disease and aortic surgery: is the association of ischemic colitis, carcinoma of the colon, and aortic aneurysms totally coincidental? 27(4):45, 1985 oa

## COLON

acquired megacolon 27(5):63, 1985 oarc

colon replacement of the esophagus for congenital and benign disease: a 28-year experience 27(4):31, 1985 oa

gi disease and aortic surgery: is the association of ischemic colitis, carcinoma of the colon, and aortic aneurysms totally coincidental? 27(4):45, 1985 oa

one-stage resection and anastomosis of the obstructed, unprepared left colon 27(3):29, 1985 oa

## COMMUNITY HOSPITAL

splenic trauma in the adult: experience in management at a community hospital 27(2):21, 1985 oa

## DISSECTION

controversies in the technique of radical groin dissection 27(5):31, 1985 oa

extraanatomic reconstruction for dissection of the thoracic aorta: a case report 27(5):92, 1985 oa

## DRUG ABUSE

cardiovascular complications of parenteral drug abuse 27(1):59, 1985 oa

severe acute alcoholic pancreatitis 27(4):93, 1985 oa

## DUODENUM

submucosal lipoma of the duodenum: an unusual cause of upper gastrointestinal hemorrhage 27(6):19, 1985 oa

## DYSPHAGIA

extended cricopharyngeal myotomy for dysphagia and aspiration 27(2):42, 1985 oa

## EHLERS-DANLOS SYNDROME

gastrointestinal and vascular complications in Ehlers-Danlos syndrome: case report 27(2):47, 1985 oa

## ENDARTERECTOMY

indications for carotid endarterectomy 27(6):69, 1985 s

## ENTERAL FEEDING

needle catheter jejunostomy feeding 27(3):107, 1985 s

## ESOPHAGUS

colon replacement of the esophagus for congenital and benign disease: a 28-year experience 27(4):31, 1985 oa

gastroesophageal reflux 27(3):77, 1985 s

## FISTULAE

arteriovenous fistulae following cardiac catheterization 27(4):88, 1985 oa

## FROSTBITE

tetanus following frostbite injury 27(3):79, 1985 oarc

## GASTROLOGY

gastroesophageal reflux 27(1):77, 1985 s

gastrointestinal and vascular complications in Ehlers-Danlos syndrome: case report 27(2):47, 1985 oa

gi disease and aortic surgery: is the association of ischemic colitis, carcinoma of the colon, and aortic aneurysms totally coincidental? 27(4):45, 1985 oa

submucosal lipoma of the duodenum: an unusual cause of upper gastrointestinal hemorrhage 27(6):19, 1985 oa

## GROIN

controversies in the technique of radical groin dissection 27(5):31, 1985 oa

## HEMORRHAGE

submucosal lipoma of the duodenum: an unusual cause of upper gastrointestinal hemorrhage 27(6):19, 1985 oa

## HYDROCELE

retroperitoneal lymphangioma (cystic hygroma) masquerading as a communicating hydrocele 27(3):71 oarc

## HYPERTENSION

retroperitoneal "aortic" approach for the distal splenorenal shunt 27(5):98, 1985 aoa

## INTESTINE

end-loop stomas: the new generation of intestinal stomas 27(4):61, 1985 oa

primary lymphoma of the small intestine: an uncommon entity 27(4):103 oarc

## ISCHEMIA

ergot-produced peripheral arterial ischemia 27(6):41, 1985 oa

recurrent visceral ischemia: revascularization by thoracic aorta to splenic artery bypass: a case report 27(3):49, 1985 oa

## JEJUNOSTOMY

needle catheter jejunostomy feeding 27(3):107, 1985 s

complications from needle catheter jejunostomy in posttraumatic surgery 27(4):52, 1985 oa

## LASER

the neodymium:YAG laser in general surgery 27(4):17, 1985 oa

practical issues in laser angioplasty: a new technique 27(2):13, 1985 oa

## LIPOMA

submucosal lipoma of the duodenum: an unusual cause of upper gastrointestinal hemorrhage 27(6):19, 1985 oa

## LIVER

hepatic trauma 27(5):19, 1985 oa

## LYMPHATIC

Burkitt's lymphoma: a presentation as intussusception 27(3):58, 1985 oa

primary lymphoma of the small intestine: an uncommon entity 27(4):103 oarc

retroperitoneal lymphangioma (cystic hygroma) masquerading as a communicating hydrocele 27(3):71 oarc

## MASTECTOMY

breast reconstruction following mastectomy 27(1):15, 1985 oa

## MALLORY-WEISS SYNDROME

Mallory-Weiss syndrome 27(5):51, 1985 oa

## MELANOMA

melanoma excision: how far? how deep? 27(5):42, 1985 oa

## MESENTERIC CYST

pediatric surgery problems 27(1):56, 1985 oa

## MESH

use of absorbable mesh for splenorrhaphy and pelvic peritoneum 27(6):11, 1985 oa

## MYOTOMY

extended cricopharyngeal myotomy for dysphagia and aspiration 27(2):42, 1985 oa

## MYXOMAS

atrial myxomas 27(2):53, 1985 oarc

## NUTRITION

benefits of cyclic parenteral nutrition 27(2):27, 1985 oa

## PANCREAS

cancer of the pancreas 27(3):13 1985 oa

severe acute alcoholic pancreatitis 27(4):93, 1985 oa

pancreatic pseudocyst 27(3):13, 1985 oa

## PEDIATRIC

mesenteric cyst 27(1):56, 1985 oa

*continued*

# Index *continued*

pancreatic pseudocysts 27(3):88, 1985 oa

sacrococcygeal teratoma 27(4):57, 1985 oa

torsion of undescended testes 27(6):48, 1985 oa

## PELVIS

use of absorbable mesh for splenorrhaphy and pelvic reconstruction 27(6):11, 1985 oa

## PERFORATION

perforation of stress ulcers: an indication for definitive surgical treatment 27(3):45, 1985 oa

## PHLEBITIS

septic thrombophlebitis 27(5):77, 1985 oarc

## PRENATAL

prenatal diagnosis of surgically correctable fetal abnormalities: the value of maternal ultrasonography 27(3):64, 1985 oa

## PROSTHESIS

cardiac valve prosthesis 27(2):34, 1985 oa

## PULMONARY

aneurysm of the diverticulum of the ductus arteriosus masquerading as a neoplasm in the aortopulmonary window 27(3):64, 1985 oa

pulmonary mucormycosis: the twentieth survivor 27(3):37, 1985 oa

## RADIOLOGY

changing concepts of surgery as a consequence of radiologic intervention 27(5):107, 1985 s

## RECTAL CANCER

controversies in the management of rectal cancer 27(2):65, 1985 s

## RESECTION

chest wall resection and reconstruction for malignant fibrous histiocytoma: a case report 27(6):53, 1985 oarc

one-stage resection and anastomosis of the obstructed, unprepared left colon 27(3):29, 1985 oa

## RESIDENT'S CORNER

acquired megacolon 27(5):63, 1985 oarc

adenocarcinoma in a villous adenoma of the ampulla of Vater 27(2):59, 1985 oarc

atrial myxomas 27(2):53, 1985 oarc

cardiovascular complications of parenteral drug abuse 27(1):59, 1985 oarc

chest wall resection and reconstruction for malignant fibrous histiocytoma: a case report 27(6):53, 1985 oarc

ileocecostoplasty: urinary undiversion 27(4):111, 1985 oarc

primary lymphoma of the small intestine: an uncommon entity 27(4):103, 1985 oarc

primary respiratory alkalosis as the initial manifestation of sepsis 27(6):65, 1985 oarc

retroperitoneal lymphangioma (cystic hygroma) masquerading as a communicating hydrocele 27(3):71 oarc  
septic thrombophlebitis 27(5):77, 1985 oarc

tetanus following frostbite injury 27(3):79, 1985 oarc

thyroid hemiagenesis 27(1):67, 1985 oarc

## SEPSIS

empiric therapy of postoperative sepsis 27(4):125, 1985 s

primary respiratory alkalosis as the initial manifestation of sepsis 27(6):65, 1985 oarc

## SKIN GRAFTS

skin coverage for burns 27(1):37, 1985 oa

treatment of skin graft donor sites using silver-impregnated porcine xenograft 27(4):80, 1985 oa

## SPHINCTEROPLASTY

cholangioduodenostomy and sphincteroplasty 27(3):93, 1985 oa

## SPLEEN

percutaneous drainage of splenic abscess: case report of a patient requiring anticoagulation 27(5):102, 1985 oa

splenic trauma in the adult: experience in management at a community hospital 27(2):21, 1985 oa

use of absorbable mesh for splenorrhaphy and pelvic reconstruction 27(6):11, 1985 oa

## STOMAS

end-loop stomas: the new generation of intestinal stomas 27(4):61, 1985 oa

## SYMPOSIUM

changing concepts in surgery as a consequence of radiologic intervention 27(5):107, 1985 s

controversies in the management of rectal cancer 27(2):65, 1985 s

empiric therapy of postoperative sepsis 27(4):125, 1985 s

gastroesophageal reflux 27(1):77, 1985 s

indications for carotid endarterectomy 27(6):69, 1985 s

needle catheter jejunostomy feeding 27(3):107, 1985 s

## TESTES

torsion of undescended testes 27(6):48, 1985 oa

## TETANUS

tetanus following frostbite injury 27(3):79, 1985 oarc

## THYROID

thyroid hemiagenesis 27(1):67, 1985 oarc

## ULCER

perforation of stress ulcers: an indication for definitive surgical treatment 27(3):45, 1985 oa

## ULTRASONOGRAPHY

prenatal diagnosis of surgically correctable fetal abnormalities: the value of ultrasonography 27(3):64, 1985 oa

## UROLOGY

ileocecostoplasty: urinary undiversion 27(4):111, 1985 oarc

## VASCULAR SURGERY

arteriovenous fistulae following cardiac catheterization 27(4):88, 1985 oa

cardiovascular complications of parenteral drug abuse 27(1):59, 1985 oa

cardiac valve prosthesis 27(2):34, 1985 oa

gastrointestinal and vascular complications in Ehlers-Danlos syndrome: case report 27(2):47, 1985 oa

## VEIN

a simplified approach to femoral-tibial bypass using in situ saphenous vein graft 27(6):34, 1985 oa

vein patch arterioplasty 27(5):83, 1985 oa

# AUTHORS
